

**AWARD NOMINATING FORM
CAROL JENKINS AWARD**

The **Carol Jenkins Award** acknowledges the ground breaking work done by Carol Jenkins in the area of chemical dependency nursing practice - both for patients and also for nurses experiencing the disease of chemical dependency. Her passion, commitment and leadership in this nursing specialty are recognized by the presentation of this award.

Criteria

1. The nominee provides direct care and/or programmatic planning for patients experiencing chemical dependency problems or is a volunteer in a program that provides assistance to individuals with chemical dependency problems.
2. Nominee provides leadership in the provision of care for patients, families, community groups or institutions dealing with chemical dependency issues.
3. Nominee has developed an innovative approach in responding to the needs of substance abusing patients in any of the settings in which nurse's practice and/or has made significant contributions in responding to the needs of substance abusing patients.
4. The nominee influences other nurses to provide excellent care to patients with chemical dependency abuse problems.
5. The nominee makes contributions to and encourages involvement in the professional association.
6. The nominee demonstrates the highest professional standards in nursing by continually seeking out opportunities for professional growth/development.
